

DEVIL'S HEAD OUTER LIMITS RACE LEAGUE

Thursday Nights in January and February

Racing Starts at 700 p.m.

Devil's Head Outer Limits Race League is a fun and social NASTAR league for adults 21 and over. The league is open to men and women and skiers and snowboarders at all levels (beginner to advanced).

Put together a team of 4-10 racers for the five-night league and pay only \$14/ a night for lift tickets (plus a \$70 fee per racer for the entire series). Racing will be on the NASTAR course at Devil's Head and every league member will receive a handicap.

Friendly competition is always encouraged!

Each Thursday night, up to 10 people will get two runs through the course. We will have the course open at 6.15 for inspection. The four top scores will count for the competition and one point will be given for each additional racer on the team (up to two total points). This allows every team member to race, even if some members cannot be part of that night's competition.

Racers will receive a NASTAR pin each night of the league. There will be an awards' presentation in the Devil's Den each Thursday night – and plenty of door prizes.

League fees will also cover an end of the year banquet – and there will be nightly specials in the Devil's Den for all racers, including \$5 pitchers of beer with the return of five NASTAR pins!
